

Drive Around Series

WARRANTY POLICY & PROCEDURE

Pop-Up Products Limited ("PUPL") provides this warranty for its **Drive Around** series subject to the information provided below. The **Drive Around** products include the **Pro** series and **Eco** series.

The warranty

- **PUPL** warrants each new **Drive Around** series machine manufactured and sold by it, to be free from defects for a period of one (1) year from date of delivery to a Customer.
- The warranty of **Drive Around** products is inclusive of parts cost and associated work performed on the machine (subject to the limitations shown in the exclusion section below)
- **PUPL** further warrants the structural components, specifically the mainframe chassis and scissor arms/ mast of each new machine manufactured by it to be free from defects in material and workmanship for an additional period of four (4) years.

Making a Claim

- The customer must notify the PUPL service and warranty partner, IPS of any potential warranty claim, IPS will provide the customer with a unique Warranty Reference Number (WRN).
- The customer must complete and return to IPS a Warranty Claim Form before any replacement parts are delivered to the customer. This form can be downloaded from the PUPL website or obtained from IPS.
- Once IPS are satisfied that the warranty claim meets the warranty criteria they will arrange to deliver the replacement part(s) to the customer on a free of charge basis.
- All defective part(s) replaced by the customer as part of a warranty claim should be kept at their premises for a minimum period of 90 days, so that if required, IPS can undertake an inspection of the part(s) or request that the defective part(s) is returned to IPS/PUPL for further investigation.
